**LEADERS  
OPPOSE  
WAR PROBE**

**GARDNER RESOLUTION  
WILL BE FOUGHT; N. Y.  
DEFENSES ADEQUATE**

Washington, Dec. 5.—Opposition to  
Representative Gardner's resolution  
for an investigation by congress into  
the preparedness of the United States  
for war was expressed by President  
Wilson Friday by Representative  
Fitzgerald and Sherley, the ranking  
members of the house appropriations  
committee. Both told the president  
they were preparing to speak on the  
subject in the house.

"I am against any spectacular in  
vestigation into this subject," said  
Mr. Fitzgerald. "All the facts are al  
ready available to anyone interested  
in the question and through hearings  
before a regular committee on the  
floor, the question will be thoroug  
ly reviewed before the coming session  
is over."

Mr. Sherley told the president that  
statements attributed to Mr. Gar  
ner that the defenses of New York  
were antiquated were incorrect. He  
declared that the fortifications of the  
United States were in excellent shape  
and added that he had been informed  
by competent army officers that the  
defenses at New York could destroy
